

GLASS KILN FOR SALE - EVENHEAT BE GTS 2541-13 £1800

Excellent 'bathtub style' kiln, suitable for many aspects of kiln work due to its large, deep chamber with top & side elements.

Bentrup TC60/8 controller, kiln stand & original 3 part kiln shelf included.

Bought new in 2009, only selling due to downsizing studio & unfortunately no longer have the space. I will also be selling some ceramic moulds in a separate listing.

Good condition, small crack on lid (repaired) as can be seen in the photos. Collection from East Yorkshire.  
CONTACT- email- [debbie.march@yahoo.co.uk](mailto:debbie.march@yahoo.co.uk)

External measurements-

Width (inc. handles)- 90cm, Length (inc. handles)- 122cm, Height (on stand)- 68cm, Stand height 21cm.

Internal measurements-

Width (maximum)- 64cm, Length (maximum)- 103cm, Depth - 34cm.

MAX TEMP- 982C

AMPS- 40A

VOLTAGE- 230V

Originally manufactured for 3 Phase supply but converted to Single Phase 40 Amp.  
You should check that your power supply is suitable & the kiln be installed by a qualified electrician.

The kiln has lifting handles at both sides and requires two people to lift.  
This kiln is heavy, will need a van.
