Thank you for getting to the end of my strange destash of misc thingys from my studio! If you have any questions, want to see more pictures or need any measurements, then let me know.

I'm happy to arrange collection from my Glasgow studio most days or I'll be at the International Festival of Glass from Friday – Monday 23rd – 26th August.

Ideally don't want to be posting some of these, but happy to discuss if it means getting these out of my studio and being used / inspiring new owners!

All the best,

Rachel aka FlyingCheeseToastie x
