

## Engraving Cabinet - Trophy Master Hybrid

*(engrave, glasses, vases, trophies etc. including ability to engrave flat glass panels)*

*This is a special two in one cabinet. Two cabinets for the price of one. Not only does it engrave standard items but also engraves large flat glass panels, marble, porcelain etc. through special slot in the middle of the cabinet.*

Space saving cabinet (load through front large window or small hatch, for glasses etc.)

Availability to engrave large flat glass panels etc. through special slot in cabinet

New tungsten nozzle, new hoses

Integrated filter system (new filter bags)

Pedal operated

Water traps (prevents sand/media from getting damp)

Pressure regulator

Bubbler pipe (air pumping to the bottom of hopper to lift the sand to prevent pipes clogging)

Stand / Sitting position cabinet – comfortable for long sandblasting sessions
