

# Glass Kiln for Sale – Northern Kilns (Approx. 15 Years Old)

Retired warm glass artist downsizing and moving house – **Kiln urgently seeking a new home.**

**Manufacturer:** Northern Kilns

**Age:** Approx. 15 years

**Condition:** Not used for the last 5 years due to health reasons. **Still connected and can be seen working.**

Northern Kilns have kindly reviewed current photos, confirmed a **reasonable resale value, and advised that all spares are still available.**

## Key Details

- Approx. **4 ft wide x 2.5 ft deep**, table height
- **Single phase electricity**
- Rated **30 amps / 7 kW**
- Heavy item – **buyer to disconnect and collect** (we can help coordinate)

## Future spares (for reference from Northern Kilns):

- New elements: £260 + VAT + fitting
- New contactor: £40 + VAT
- All other spares available from Northern Kilns

## Extras Included (Optional)

As the workshop is being cleared, we'd love these to go to someone who can use them rather than to landfill:

- Small warm glass slumping moulds
- Dry-stored kiln papers
- Float glass frit (multiple small quantities)
- Other consumables as available

## Price

**£2,200 – but open to sensible offers**

**Also happy to discuss sale to not-for-profit or educational establishments.**
